GORILLA TRACKING

Tours:

Over the years we have sidestepped the lure of operating only popular tourist routes, encompassing unique ecological areas of East Africa, adventure (river rafting, mountaineering climbing, hiking, sailing, cycling, etc); special interest and cultural / historical tours incorporating experiences of East Africa

Safaris:

Include wild game; bird watching; game fishing; photographic safaris; adventure excursions in search of insects, fossils, rare mammals and plant life; overlanders & trails.

Tours are constructed on the following basis:

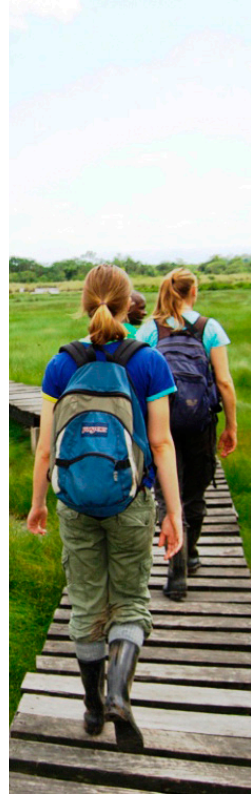

- A: Self-driven customizable tours with detailed personal itineraries with optional side excursions.
- B: Tourist Guided Tours / Safaris in custom built safari minivans with carefully selected registered professional safaris guides to provide professional skills and knowledge of the areas within which we operate.

Behind the Scenes

Our dynamic team consists of 17 highly trained and well-traveled permanent staff members, who are committed to sustainable tourism. Annual inspection trips to accommodation and areas represented are undertaken to ensure a high standard of hygiene and service.

How to
stay in SHAPE
on HOLIDAY

We have 4 operating divisions:

- 1) FIT'S (Teaching & educating people to tour East Africa and its neighbors. and providing them with detailed information about places, excursions, costs, what to see and do etc.) FIT stands for Fully Inclusive Tours for the Free Independent Traveler. We are soon acquiring a Galileo system for air flight reservations.
- 2) Groups, Conferences and Incentives Department.
- 3) East Africa National Parks and Game Lodges/ Camps – for fly-in's and self-drive.
- 4) Brokering – representing other operator's tours & safaris throughout East Africa and its neighbors.

Quality transportation with guaranteed window seats

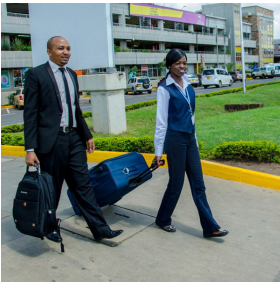

On safari window seat is guaranteed for each client. Each minivan or 4x4 cruiser has a mobile HF radio, cool box, reference books, and binoculars, First-Aid Kit. Our cost for minibus or 4x4 cruiser includes the services of driver-guide.

All vehicles are always maintained and kept at excellent standards.

Unsurpassed personal Services

Your clients are met at the Airport by our representative, and similarly seen off on departure. At the Hotel a knowledgeable host or hostess will assist with their check-in and safari briefing. He/She will be available for them whenever they are in cities to help with shopping, appointment and packing. Should you wish us to protect your identity, this can easily be arranged.

Airport representative and host/hostess will wear your badge or uniform, itineraries will be typed on your headed paper, and we will place your stickers on our minivans.

Our Philosophy

Apart from our enthusiasm to offer clients an experience of a lifetime within our culturally diverse Flora, Fauna and beautiful land, we are also passionate about the preservation of our natural environment, we believe that as we wrestle with the demands of poor and exploding populations, the responsibility lies with all mankind.

Nile Abenteuer Limited believes that correct education will help develop an understanding of the vital importance of preserving our fragile and beautiful world for future generations. Therefore as part of the travel industry, we must play a leading part in the protection and education of our environment and the involvement in community projects. We are here to help tourism become the engine for economic development by facilitating responsible and sustainable tourism.
